25th September 2019

Dear Parents/Guardians

It's that time of year when I write to you, all about the PTFA at Holywell School. This is my third year chairing the PTFA and my favourite bit is seeing the money we raise being put back into the school, for the good of the children. We also believe the PTFA plays a very important role in helping to make the children within our school happy. We provide fun-filled fundraisers throughout the year, including exciting events such as Discos, Hot Chocolate Fridays and a variety of Raffles.

Without the support of parents, carers, family and friends, this would not be possible. We have a friendly team of committee members, and we are always ready and appreciative to welcome more! We realise not everyone would like to be a member and attend our ONE meeting a year, but helpers are just as important in our success. Not everyone is able to give a lot of time and this isn't expected; sometimes a spare half hour can make all the difference. Holywell PTFA is really not like other PTFA's, we have one meeting a year and we do not ask for a lot, from our helpers, just what you can do. Don't believe me – put us to the test! A first step might be to join our Whatsapp helpers group. There is a great bunch of parents on the group who support each other, whilst having a laugh when we do meet at events.

We will be holding our annual AGM at 6.30pm on Wednesday the 2nd of October at the School, which is open to all. At this meeting we will vote on the committee core team members! Please come and join us for this and for further information about our events during the year.

If you would like to join us, attend the AGM or are able to help out at all please could you complete and return the slip below to the school office. (Current members should also complete the form as necessary).

I look forward to seeing you and I am about to answer any questions at anytime,

Victoria Ricci
