

Holywell School Parent Questionnaire November 2019

Dear Parents / Carers

Every year in November we conduct a parental survey. The results from the survey will help us to identify areas of strength as well as any current important improvement priorities that you feel we should be addressing. The questionnaire is the same for each year group, but we give them different coloured sheets so that we can see if there are any issues which particularly affect one year group more than another. Please put your reply in an envelope to retain an approach of anonymity for all. If you have more than one child, please feel free to send in the additional response because you may have different thoughts about some of these issues from one child to another.

Most of these questions are taken directly from the current Ofsted questionnaire. In addition to this paper-based survey, you could additionally complete the Ofsted survey online – you just need to go to the ParentView website (<https://parentview.ofsted.gov.uk/>), register and answer online. I would be grateful if you could return it to school by Monday, 2nd December, 2019. Thank you very much in advance for your time in answering this questionnaire. Mr MG Simpson
