7th October 2019

Dear Parents,

SATs Evening – Wednesday 16th October - 6.00pm

We are looking to make the most effective start to the year for your children as they work through to their important SATs next May. We are especially keen to enable parents to play as full a part as you would wish in supporting/engaging with their English and Maths work this year. Achieving their best results in these tests is especially important now because they provide the key guide and basis for setting personal expectations when children approach their GCSE years.

We would like to invite you to a SATs Evening which will take place on 16th October at 6:00pm. The evening will begin with a welcome by Mr Simpson in the Macfarlan Room to all parents. We will then run 20 minute sessions for both English and Maths where you will be split into smaller groups and visit both subjects in turn. I hope that this small scale organisation will allow parents to feel far more comfortable in asking questions than you might in a packed school hall.

Could I please ask all families to send back the reply slip so that we can be sure of who will/will not be attending – and no later than Tuesday 15th October. As this is an evening directed particularly at parents, you do not need to bring your child with you but are welcome to do so if you prefer.

Yours sincerely

A Stewart
Deputy Headteacher
