

Safeguarding Our Children

The Safeguarding of our students is everyone's responsibility!

At Holywell we pride ourselves in:

- creating safe environments for children and young people through robust safeguarding practices
- ensuring that adults who work in the school, including volunteers, don't pose a risk to children
- making sure our staff have training on a regular basis, know how to respond to concerns and keep up-to-date with policy and practice
- teaching children and young people about staying safe
- maintaining an environment where children feel confident to approach any member of staff if they have a worry or problem.
