Holywell Support this Half Term

At Holywell we have been fortunate in accessing some wellbeing support for our students from outside agencies both one-to-one and in small groups.

Holywell have been able to welcome back the Northampton Saints Foundation – who have been working with a group of our Year 7 students this half-term, supporting students with their wellbeing and resilience through sport.

Holywell have also been able to secure organization Link2Change to a group of our Year 8 students starting this half-term, and due to continue next half-term. This intervention had a focus on healthy relationships and staying safe on social media.

Holywell have also been running a 'Wild For Life' group, a nature-led wellbeing intervention with a small number of our Year 5 students this half-term. Thank you to the staff who have given their time to facilitate this.
