

Admissions Policy for Holywell School

(This policy will operate for admissions into Holywell during the Academic Year 2027-2028)

Author	MG Simpson
Responsibility	All staff and the governing body
Effective Date	November 2026
Approved by full Board of Governors:	November 2026
Storage; (i) Electronic (ii) Hard Copy	(i) School network, (managed by Headteacher's PA) and on school website (ii) School office
Distribution	All Staff / Governors / Parents applying for place

School Ethos

Recognising its historic foundation, Holywell School will preserve and develop its religious character in accordance with the principles of the Church of England and in partnership with the church at parish and diocesan level.

The school aims to serve its community by providing an education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its students.

Principles and explanation of the transitional arrangements as the school moves to secondary status

The Governing Board is committed to pursuing this admissions policy for the School with respect to its comprehensive character and age range; however, please note that admission arrangements are determined annually and may change over time. In the academic year 2027-28, Holywell will have students in Years 7-10 only.

Holywell will not have a point of entry for September 2027, as the school continues its transition to secondary status. For the 2027-28 academic year, the school's Published Admission Number will therefore be 0. Students in Year 6 at the school in the academic year 2026-27 will transfer automatically into the school's Year 7 in September 2027 and do not need to make an application in order to remain at the school. Similarly, students in Years 8 and 9 at the school in the academic year 2026-27 will transfer automatically into Years 9 and 10 and do not need to make an application in order to remain at the school.

External applicants may still make an in-year application to the school at any time for a place in any of Years 7-10 (inclusive) for or during the academic year 2027-28 and any such applications will be accepted if there are places available at the time of application.

The Governing Board, as the admission authority, determines the school's admission policy and arrangements for taking decisions on applications for admission. The Governing Board works with the Local Authority in order to ensure admissions are coordinated within the Local Authority

If the school receives more applications than there are places available, priority for admission will be given to those children who meet the oversubscription criteria set out below, in the order set out below.

NB. Students who have an Educational, Health and Care Plan (EHCP) will be admitted to the school even if the school is full and before any oversubscription criteria are applied.

Oversubscription Criteria

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those children who appear to the Governing Board to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Children with a sibling attending the school at the time of application.
3. Children of staff in either or both of the following circumstances: a) where the member of staff is employed at the school at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage. Staff can access information about "demonstrable skill shortage" roles by referring to the list held by the school business manager or by referring to their letter of appointment
4. Children who live in the catchment area. The catchment area comprises (i) the ecclesiastical parish of Cranfield; (ii) the ecclesiastical parish of St Mary's Marston Moreteyne and Lidlington, and (iii) the ecclesiastical parish of St Mary's Wootton.
5. Other children who are on the school roll of Cranfield Church of England Academy at the date of application
6. Children of a parent/carer who is a regular worshipper at a Christian church. For the purposes of these admission arrangements a Christian Church shall mean a church which, at the time of application, is a member of the Anglican Communion or is a member church of Churches Together in England, the Evangelical Alliance and/or Affinity.
7. Other children, with priority for admission given to children who live nearest to the school.

Notes 1. Tie break

In any situation where the application of the above criteria results in a situation where there are more children with an equal right to admission to the school than the number of available places, the tie-break will be the distance the student lives from the school, measured in a straight line, using the Local Authority's computerised mapping system, with those children whose home address is closer to the school receiving the higher priority. Distances are measured from the main entrance of the child's home to the main entrance of the school. The Local Authority will measure all distances for the Governing Board. In the event of (a) two or more children living at the same address point (e.g. children resident in a block of flats) or (b) two addresses measuring the same distance from the school, the ultimate tie-breaker will be random selection, using the School Admissions Team's Synergy Admissions database to allocate the place.

2. Co-ordinated Admissions Arrangements

The Local Authority coordinates the process for in-year admissions.

3. Paper applications

Parents resident in Central Bedfordshire who are unable to apply online can obtain a paper application form by emailing admissions@centralbedfordshire.gov.uk or by calling the School Admission Team on 0300 300 8037.

4. Criterion 6 applications

Families who wish their application to be considered under criterion 6 must also complete the Central Bedfordshire Church of England Confirmation of Religious Affiliation form and have this countersigned by their priest, minister or faith leader using this form: **CofE Confirmation of Religious Affiliation (PDF)**; you can also request a copy of the form from the school office. All completed Religious Affiliation forms must be returned direct to Central Bedfordshire School Admissions.

5. In-Year Admissions

Applications for in-year admission to any year group should be made via Central Bedfordshire Council:

Tel: 0300 300 8037

Email: admissions@centralbedfordshire.gov.uk.

The form can also be downloaded from the Local Authority website:

https://www.centralbedfordshire.gov.uk/info/5/school_admissions/508/applying_for_a_school_place_during_the_academic_year/2. Please also see note 4.

6. Appeals

Parents who may wish to appeal against non-admission of their child will have the right of appeal to an independent appeals panel. The appeals panel is independent of the Governing Body and the Local Authority Admissions Team. Further information about the process can be found at

https://www.centralbedfordshire.gov.uk/info/5/school_admissions/500/school_admission_appeals. The decision of the appeals panel will be binding.

7. Waiting list

If we have not been able to offer your child a place at Holywell School, we will place your child's name on a waiting list which has been prioritised according to our oversubscription criteria. The list will be re-ranked each time a child's name is added to or removed from the list. If a place becomes available we will contact you, even if you have accepted a place at another school. We will maintain the waiting list until the end of the academic year. If you wish to remain on the waiting list beyond that time you will need to write to us.

8. Education out of year group

Children are normally educated in their normal age group, with the curriculum differentiated as necessary to meet their individual needs. If, however, parents

believe that their child should be educated in a different age group they may make a written request to the Governing Board for their child to be admitted out of year group (requests must be in the form of a letter addressed to the Governing Board, c/o the school office). Any such request must be accompanied by evidence that clearly demonstrates why the child must be placed outside their normal age group. The Governing Body will consider each case on an individual basis and in the best interests of the child, taking account of the views of the headteacher and all the circumstances of the case, including the views of the child's parents; the child's academic, social and emotional development, where relevant, the child's medical history and the views of a medical professional; whether or not the child has previously been educated out of year group; and whether the child may naturally have fallen into a lower age group if not for being born prematurely. Where a child is being educated in a year group below the child's normal age group in an earlier phase of education, parents are advised to make an application for a place at the school in the child's normal age group and to submit their request to the Governing Board for admission out of year group at the same time. If the request is agreed then the application for a place in the child's normal age group can be withdrawn and a new application must be made for the following academic year. There is no right of appeal where a child is offered a place at the school but not in the parents' preferred age group.

DEFINITIONS

'Looked after' children

A 'looked after' child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see Section 22(1) of the Children Act 1989).

Previously 'looked after' children

A previously 'looked after' child is one who was looked after but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order). All references to previously looked after children in this Admissions Policy mean such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear (to the Governing Board) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

An 'adoption order' is an order under section 46 of the Adoption and Children Act 2002. A 'child arrangement order' is an order settling the arrangements to be made as to the person with whom the child is to live under section 12 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Denominational Grounds

Regular worship is defined as: at the time of application, and for a period of six months previously, at least one of the child's parents has attended public worship at any Church of England or other Christian Church on average at least once in each calendar month. For the purposes of these admission arrangements, a 'Christian Church' shall mean a church which,

at the time of application, is a member of the Anglican Communion or is a member church of Churches Together in England, the Evangelical Alliance and/or Affinity.

As a church school we require written evidence of regular attendance at worship, in order to meet the requirements of Criterion 6. This confirmation should be provided by a priest, minister or faith leader completing and signing the religious declaration on the application form.

In the event that during the six-month period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of this policy in relation to attendance will only apply to the period when the church or alternative premises has been available for public worship.

Ecclesiastical parish

The boundaries of the ecclesiastical (church) parishes of Cranfield, St Mary's Marston Moreteyne and Lidlington and St Mary's Wootton can be viewed at

www.achurchnearyou.com by entering "Cranfield", "Marston Moretaine" or "Wootton" in the search box.

Siblings

A sibling refers to a brother or sister, half-brother or sister, adopted brother or sister, stepbrother or sister, foster brother or sister (where care has been arranged by a local authority) or the child of the parent/carer's partner, and in every case, the child should be living at the same address. The sibling must be in the school at the time of application and be likely to remain in the school at the proposed date of admission.

Children with an EHCP naming the school and Fair Access Protocol children Students who have an Educational, Health and Care Plan (EHCP) will be admitted to the school even if the school is full and before any oversubscription criteria are applied. Students identified for admission through the fair access protocol will also be admitted even if the school is full. Parents of students entitled to be considered under the Fair Access Protocol may also make an in-year application to the school (as described in note 5 above).

Parents or Guardians

Parents or Guardians are defined as adults having a legal responsibility for the named child.

Home Address

The address given on the application form must be the child's permanent home address at the time of application.

If a child lives at more than one address because childcare arrangements are shared, the Governing Board will consider the address for admission purposes to be the one where the child lives for the majority of the time, unless the application is supported by a copy of a Court Order stating that a different address must be used for school admission applications.

If a child lives at two different addresses equally, the application must include a copy of any Court Order which states the address to be used for school admission purposes. Where there is no such Court Order in place, parents should make a single joint application naming one address.

Please note that applications submitted by separated parents will be subject to the same address verification checks as all other applications.

Staff children

Priority will only be given under category 3 where the member of staff:

1. Has a permanent contract of employment (full or part-time);
2. Has legal parental responsibility for the child;
3. Lives with the child during all or part of the school week.
